Police Department Report:

This has been a difficult time getting people through the background process who have passed the oral exam. The background issues are across the board and not just one thing that would present the need to change the disqualifiers or the rules and regulations. It has been hard to fill the vacancies.

On June 10th, Officer Squires will be leaving the department. Lateral Officer Pa has been hired and is fitting in very well. Entry level Mr. Dunkley started the academy and should graduate in October.

Oral boards were held today and last week with three candidates who qualified. The list for certification was reviewed. Ray made a motion to certify and approve the list as shown with scores. Passed.

It seems to be the standard and typical turnover that after about 5 years an officer will move on from the department. This last year has been difficult to find good candidates for replacement. The pool is smaller with the era we are currently in.
