## MAYOR'S MESSAGE

Dear Community,

June is an exciting time of year for Duvall. We kick off our festival season with our ever-popular Duvall Days weekend, June 6 and 7. There's no shortage of delights, whether you prefer to entertain the kids, enjoy a hearty breakfast with our local firefighters, compete in a foot race, kick back in a beer garden, listen to live music, or reminisce with a vintage car and motorcycle show. You can find out more at [www.duvalldays.org](http://www.duvalldays.org).

June 27 and 28, the Duvall Foundation for the Arts will present its annual Art in Bloom Sculpture Garden at Kokopelli Gardens. This year, to celebrate its Tenth Anniversary, there will be an Opening Night Gala on June 26. For more information, please visit [www.duvallarts.org](http://www.duvallarts.org).

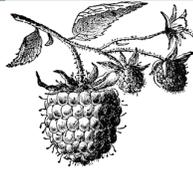

Don't forget about our Farmers Market, every Thursday from 3 pm to 7 pm (May through September). This year the market has some new vendors and weekly entertainment. If you're looking for a quick dinner, a handmade gift, or some fresh fruits and veggies, there are plenty of options at the Farmers Market.

June is also when schools let out for the summer, and kids are spending more time outdoors. Please use extra caution when driving down our streets and keep a keen eye out for little ones. We are also anticipating an extra-hot summer, so please be careful when enjoying the beach at McCormick Park. The river current can be deceptively swift. Stay close to the shore, and keep an eye on your children. There are no lifeguards at the beach.

Let's make this a fun and safe summer. Enjoy yourselves out there!

Sincerely,

Will Ibershof

## DISABLED PARKING REMINDER

The Duvall Police Department would like to give a friendly reminder about the designated disabled parking at City Hall. It has recently been brought to our attention that the disabled parking at Duvall City Hall is often being misused. Disabled spots are strictly for use by citizens who have obtained a disabled placard or license plate. Even misusing one of these spots for a few minutes can cause frustration and inconvenience for a disabled person who truly needs to park there. This violation, RCW 46.19.050, has a monetary penalty imposed of \$250.00. It is a steep fine, and we will issue it if necessary; however, we would first like to just ask people to be considerate.

## ATTENTION, HOA OFFICERS

To keep our residents better informed, the Duvall Planning Department is updating our list of local Homeowners Associations and their primary contact information. If you are an HOA officer, please email [planning@duvallwa.gov](mailto:planning@duvallwa.gov) with your association's email and mailing addresses, or call us at 425-788-2779, ext. 3.

Thank you for your help with this matter.

## ILLEGAL DUMPING

The City has seen an increase in illegal dumping of construction debris and large objects in our local parks (DMC 6.01.080). The trash receptacles are for park users only. If you see any violations, please contact the police department or utilize the "Report a Concern" link on the front page of our website: [www.duvallwa.gov](http://www.duvallwa.gov).

Thank you for helping to keep our parks clean and safe.

## TRAFFIC REMINDER

In **July of 2015**, the Washington State Department of Transportation (WSDOT) will replace a culvert that carries Coe-Clemons Creek under State Route 203 (SR 203). **What can drivers expect?** The project will require a full roadway closure of SR 203 through Duvall for one week. Highway through-traffic will be detoured for that seven-day span. Detours for local access only will also be available. Drivers should also expect nighttime single-lane closures throughout the project.

Please continue to check the City's website at [www.duvallwa.gov](http://www.duvallwa.gov) or WSDOT's project site at [www.wsdot.wa.gov/projects/sr203/coeclemonscreekcd/](http://www.wsdot.wa.gov/projects/sr203/coeclemonscreekcd/) for updates.
