## MAYOR'S MESSAGE

Dear Community,

It is hard to believe that October is here. It is a busy month for our City. This month the City Council starts its review of the proposed budget. If you would like to see what the issues are and or provide feedback on key initiatives you feel the City needs to focus on, then please attend one of our council meetings.

On a different note, October is one of my favorite months. Who does not love trick or treating? This year the Chamber of Commerce will be organizing the annual downtown event. It is on the 31<sup>st</sup>. If you are a big or little kid at heart, visit downtown and have some fun. I will be passing out candy at City Hall and I hope you will stop by.

There is a road project that is in King County but could have a fairly significant impact on Duvall citizens. King County Roads is repairing a section of West Snoqualmie Valley Road that was damaged by a landslide during the heavy rain in March 2014. The section of road that will be closed is on West Snoqualmie Valley Rd NE; 200 feet north of Novelty Hill (between the bottom of Novelty Hill Road and NE 124<sup>th</sup>). The closure is scheduled to begin at 6:30 a.m. Monday, October 5<sup>th</sup> and is scheduled to be a three (3) week closure. It will be a full road closure. Go to <http://your.kingcounty.gov/kcdot/roads/cip/ProjectDetail.aspx?CIPID=1123719> to view full project details and updates. We know this is inconvenient at the least and ask everyone to please be patient and think ahead when it comes to your commutes to and from work.

Finally, this is a great month to be preparing for the winter. It can range from checking your food storages to making sure the water and food are still good in your emergency kits, and taking a drive around the Valley to discover all the different routes in and out of town in case of inclement weather.

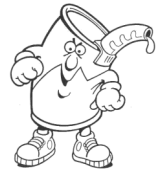

Enjoy the month.

Sincerely,

Will Ibershof

**METRO INVITES DUVALL TO  
GET IN MOTION!**

Metro Transit's In Motion program is under way in Duvall, Carnation, and the Redmond Ridge area! The program provides opportunities for residents to try different ways of getting around by busing, walking, bicycling, or carpooling instead of driving alone, and rewarding them for doing so! Residents who pledge to drive less will receive their choice of a free two-week unlimited ORCA card or a travel mug.

The twelve week program will provide Duvall residents with the tools and information they need to begin exploring different travel options. In addition, participants who log switched drive alone trips will be entered into bi-weekly prize drawings for gift certificates to local businesses, such as The Grange Cafe, Ixtapa and Safeway.

Look for the In Motion team at community events, like the Heritage Festival and the Duvall Farmers Market. To learn more and sign up, visit [kingcounty.gov/inmotion](http://kingcounty.gov/inmotion) and click on the Duvall, Carnation, or Redmond Ridge tabs. Residents can sign up until December 6<sup>th</sup> and questions can be directed to [inmotion@kingcounty.gov](mailto:inmotion@kingcounty.gov). Every trip counts, so help us get the word out today!

**DON'T FORGET TO VOTE!!!**  
Election Day is Tuesday, November 3<sup>rd</sup>

**DOG WASTE DOESN'T BIODEGRADE LIKE WILD ANIMAL WASTE**

Because we feed our dogs food that's different from the food wild animals eat, dog waste does not biodegrade quickly like wild animal waste. And due to the large number of pets in suburban neighborhoods and local parks, this hardy dog waste accumulates and sticks around for a long time. Meanwhile, it contains harmful bacteria, pollutes groundwater, and smells disgusting on the bottom of a shoe.

Please help keep parks, trails and neighborhoods free of poop piles by picking up!

September 12<sup>th</sup> was a special Day of Service for the LDS church and they offered volunteer help to the City of Duvall. The LDS Big Rock Ward had 50 volunteers show up with a total of 140 hours worked to clean, paint, mow and remove vegetation at the Dougherty Farmstead. The Duvall Ward took on the Depot Park and Depot Building and assisted with scraping and painting the Depot deck and skirting plus park clean-up of vegetation. What a wonderful help from both Wards and so much appreciated.
