MAYOR'S MESSAGE

Dear Community,

September is a big month for the City and the School District. With respect to the City, we are winding down the Main Street project. With the grinding of the roadway and more of the sidewalk sections going in, we are close to finally wrapping up the project.

With respect to the School District, school starts on September 5th. This is an exciting time for parents and kids alike. Personally, it is a big year for me. I now have a senior and sophomore at the high school. As you commute in the morning, please be cautious and look out for our kids as they wait for a bus or walk to school.

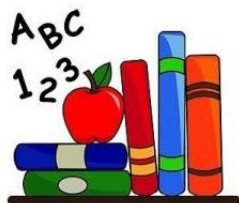

September is a big month for the partnership between our City and the District. Starting this school year, we now have a full-time School Resource Officer who is excited to teach a few classes and meet the students. If you are up at the high school, stop by and say hello to Officer Clark. He will be a great resource for the students and our community.

Thank you to all of the volunteers for SummerStage for another great year of concerts and to the Irwin Group for Movies in the Park. Both groups did an amazing job with these events. In addition, we have two upcoming events in September. The Art and Wine Walk is on Saturday, September 9th and the Quilt Show is Saturday, September 30th. Please see the "What's Happening" section on the reverse side of this newsletter for contact information.

I want to thank all of you who volunteered or participated in the many different events the City and community hosted this year. We had another successful year, where the community came together to enjoy a wide range of events and activities.

Sincerely,

Will Ibershof

MAIN STREET PROJECT UPDATE

August saw fits of activity with some relatively slow periods in-between. We have now completed the grinding process on the existing roadway to prepare for the upcoming re-surfacing. The traffic during the this work was not awesome and your patience was appreciated. By the end of August we should have placed the remainder of our curbs and made great progress on the sidewalks as well.

September will see our pavement overlay and re-surfacing. Finally, smooth roads are coming. Now with sidewalks in and the road re-surfaced the job is going to look pretty good. We still have to go in and install medians, do landscaping, and stripe the roadway toward the end of September or early October. The end is near and if we stay on track we'll be looking at scheduling a ribbon-cutting ceremony late in October or early November.

Please remember all of the great businesses along Main Street in the work zone. They need your continued support and you CAN get there.

For the latest information and weekly updates check out the City of Duvall on Facebook, or on Twitter @ #MainStreetDuvall.

Duvall Historical Society

The Duvall Historical Society is excited to announce that all of the **Duvall Citizen** newspapers (October 1911-December 1916) and **Carnavall Reporter** newspapers (June 1953-November 1964) are now available to view on-line. Check out the new and improved website at www.duvallhistoricalsociety.org click on *Our Collections* and *Newspaper Archives*.

These newspapers are probably the most complete source for information about businesses, people, and events in our local community's history, as they provide a first-hand view of its development, problems, triumphs, and attitudes. The papers can be searched by year or by subject and will be an invaluable tool for researchers and folks just interested in learning more about our local history.

This project was made possible by a grant from 4Culture. The Duvall Historical Society also thanks the King County Library System for their assistance.

Woodinville Duvall Road Closure- Why?

Slope movement has occurred along approximately 200 lineal feet of NE Woodinville Duvall Road. The slope movement has resulted in significant longitudinal cracking that extends up to six feet into the pavement of the west-bound (northern) travel lane. The crack varies from about one to two inches in width with void space measured up to four feet in depth below the pavement surface with a steel tape. King County Roads geotechnical staff have evaluated the issue and recommend removal of a portion of the roadway and reconstruction.

NE Woodinville Duvall Road is owned and maintained by King County. More than 10,500 vehicles use the road daily, which leads to the City of Duvall.

Visit www.kingcounty.gov/depts/transportation/roads.aspx for current news on King County road projects

CLAYTON KRISTIANSSEN

COMPLETES EAGLE SCOUT PROJECT

Clayton Kristiansen, a 16 year old Junior at Cedarcrest High School recently completed his Eagle Scout project at the Dougherty Farmstead located at 26524 NE Cherry Valley Road in Duvall. Clayton is with Boy Scout Troop 745 and also serves with Venture Crew 215. Clayton met with the City of Duvall in 2016 to begin plans for a project that would give a lasting benefit to the community. He chose to remove and replace an existing white picket fence surrounding the front yard of the historic Dougherty Farmhouse built in 1888. Other improvements included replacing a portion of the deteriorated ADA ramp to the building and using a skid resistant paint on the surface. He managed and encouraged a group of volunteers who completed 350.25 man hours on the project and raised \$800.00 organizing a car wash.

Clayton is active in Cedarcrest's Technology Student Association and in Track and Field. He is planning on taking more AP classes to prepare for college and hopes to attend the University of Washington or Texas A&M.

Thank you to the following volunteers: Jacob Tisdale, Quinn Burford, Zach Kobayashi, Jamey Tisdale, Chase Kemper, Jake Tisdale, Zack Tisdale, Ben Tisdale, Luke Cremeen, William Kristiansen, Jamie Kemper, Elaine Kristiansen, Emma Spani, Ikaika Ward, Gage Hawkins, Mason Dunbar, Derek Spani, John Hawkins, Jason Ward, Brad Dunbar, Erin Koepin, Rene Spani, Boyd Benson, Ian Burford, Jeffrey Henion, George Henion, Noah Griffen, Justin Tobin, Gunnar Benson, Laura Tisdale, Toren and Callum Hewett and William Kristiansen Sr.
