

MAYOR'S MESSAGE

Greetings Duvall!

School's out and summer is just about to get into full swing. I am thrilled to share with the community two new partnerships that will bring 4 more weeks of summer camps to Duvall and the Snoqualmie Valley. We are thrilled to welcome back to Duvall, the Northshore YMCA and announce a new partnership with the Boys and Girls Club of Snohomish County.

The YMCA will be hosting a day camp July 23rd-27th at McCormick Park, where campers will learn to respect and appreciate nature through fun adventures like: hiking, exploring, arts and crafts, swimming, camp songs, field trips, and much more.

They will also offer Multi-Sport Camp at Big Rock Ballfields from July 30th-August 3rd. YMCA Camps blend skill development, fun activities, and great games for all-day fun. With camps ranging from soccer to lacrosse and basketball to tennis, campers will focus on technique, strategy and individual and team development. For more information or to register, please visit www.ykids.org/nsh or contact Corey Lowell at clowell@seattleyymca.org.

Following on the heels of the YMCA camps, the Boys and Girls Club of Snohomish County will be hosting camp the weeks of August 6th-10th and August 13th-17th. The camp is open to all kids ages kindergarten-6th grade. Each day will have a different theme and will include arts and crafts, group games, outdoor activities, STEM activities, cooking projects, and much more. For more information and to register, please contact Marci Volmer at mvolmer@bgcsc.org.

These camps join several other camps being held by organizations based in Duvall. We hope that these new additions provide the new opportunities that our community has been asking for and will be just the start of long-term programming with the City.

I wish you all a very happy and SAFE 4th of July celebration with friends and family. Please be sure to review the article in the next column regarding fireworks in the City.

Regards,

Amy Ockerlander

FIREWORKS REGULATIONS IN DUVALL

KUDOS KORNER

This month's "Kudos Korner" award winner goes to the entire Public Works Maintenance crew for their heavy lifting during Duvall Days 2018! While Duvall Days is privately run by a dedicated group of volunteers, the City provides a good deal of support in road closures, set-up, and helping make things run smoothly through the day. The crew was fortunate this year to not be interrupted by many emergencies and spent much of the week working on set-up. There are literally hundreds of tasks they perform including picking up bleachers, lights, golf carts and more from West Seattle, Redmond & Carnation. This was perhaps the smoothest Duvall Days many have experienced and they are grateful to the amazing community volunteers who assisted. Way to go everyone!

Now available in Duvall!

VAN NEWS FOR JULY

This service is open to the general public, and provides opportunities for volunteers to give back while visiting great places and events! The van can be used for almost any type of trip, as long as it begins or ends in Duvall!

The Duvall Community Van, as a King County Metro pilot program, as of July 1st, will be undergoing a \$0.25 flat fare increase to meet the agency's new standard \$2.75 flat fare. VEGETATION TRIMMING – DID YOU KNOW?

City of Duvall Public Works crews have been hard at work trimming, cutting and clearing vegetation within city limits. Did you know that Duvall City Code 8.02.020 calls for owners of property to keep all weeds, brush and vegetation cleared away and removed from passageways of travel? Let's all work together to keep things trimmed up!
