## MAYOR'S MESSAGE

Dear Community:

It is hard to believe we are in June already. The weather is starting to clear up and many of us are starting to take hikes, ride our bikes or even start yard work projects. What June is for many of us, is Duvall Days. The big event each year our City celebrates with a parade, bouncy toys and other many fun activities. I want to thank Margie Coy and her team for hosting a great event. There is a lot of work that goes into the event and I know different community groups and the City helped as well to make our event a huge success.

Speaking of successes; I hope you had the chance to see the Centennial Project our City completed. It all started with a napkin and a few staff members sitting around the table thinking up a great project for our community. What we see is the end result of that work. One big part of the project was the gateway to Depot and McCormick Parks. This project was completed by Shaun, Boyd, Mike Z, Joe C, Joe P and Gavin. In addition Kyle, Brian K, Brian R and James worked on the improved sidewalk leading to McCormick Park. This gateway and the new sidewalk add a great deal to the makeover you see today.

Later in June is the start to summer for our kids. My three boys are looking forward to summer, not as much as their mother. With school ending, our school district says goodbye to my friend and mentor Conrad Roberston. Conrad has accomplished a great deal in his tenure. We have seen major improvements to our school facilities to name just one of his many accomplishments. What I will most remember Conrad for is his enthusiasm for education. You would think that someone retiring would take it easy, not Conrad. He is still going 90 miles an hour, looking for golf balls or talking about a recent project.

Finally, please check out the insert from our Chamber of Commerce and enjoy the nice weather.

Sincerely,  
Will Ibershof

## BUDGET WORKSHOP - JUNE 6<sup>TH</sup> - 6:00 P.M. Duvall Community Center, 26512 NE Stella Street

City Council will meet to discuss the 2014 budget process. This meeting is open to the public.

## CORRECTION TO SUMMER FUN GUIDE

On page 14 of the Summer Fun Guide, there is a list of City of Duvall Mayors. We would like to make a correction to this list. Jeane Baldwin served as Mayor from 1985 to 1989. We apologize for this omission.

## THANK YOU FOR SUPPORTING OUR LOCAL BUSINESSES!

There is something about being greeted by name when you enter a business that makes you feel totally welcomed. Walking down Main Street on a sunny Saturday with the family is an idyllic experience that wouldn't be the same without our local businesses. We are fortunate to have such a vibrant local business community.

It's the money that you spend in these businesses that allows them to give back to our community by sponsoring wonderful events like Duvall Days and Sand Blast.

Next time you need something, think about where you can buy it in Duvall. Our local businesses need our support to survive and thrive.

## YOU ARE INVITED!

**DOUGHERTY FARMSTEAD OPEN HOUSE  
EVERY SUNDAY THROUGH SEPTEMBER  
1:00 P.M. - 4:00 P.M.**

The Duvall Historical Society invites you to tour the Dougherty Farmstead. Now listed on the National Register of Historic Places, the Dougherty House was built in 1888 by James O'Leary. In 1898 the Dougherty family moved in.

Still boasting it's original woodwork, staircase, siding, windows, and doors, the home and its furnishings reflect Duvall life in the early 1900's. Stop by to take a peek at the house, the pioneer cemetery, the milk house and bunk house. The Farmstead is open for tours every Sunday from 1:00 p.m. - 4:00 p.m., through September. We hope to see you there!

There **WILL NOT** be any bulky garbage collection at the event this year.

Contact Jodi Lee Wycoff, Duvall Recycle Contact, at 425-788-1185 or [jodi.wycoff@duvallwa.gov](mailto:jodi.wycoff@duvallwa.gov) for more information about this recycle event. Also look for a more detailed flyer in your mailbox in late June/early July.

**COMING SOON:**

**BIG ROCK ROAD SEWER IMPROVEMENT PROJECT**

In the summer of 2013 the City plans to award a contract for the installation of 2,600 linear feet of new 12” sanitary sewer main on Big Rock Road (BRR). The project will begin at 279th Lane NE then proceed west on Big Rock Road ending at the 26800 block (old / new BRR intersection). Funding is provided by the Public Works trust fund loan program.

Three existing sewer lift stations located at Kasper Heights, Carlson Ridge and Parkwood Estates will be decommissioned upon project completion. This will save the utility operational costs in the future.

Following completion of the Sewer Improvement project the City has received grant funding from the State of Washington Transportation Improvement Board to complete an asphalt pavement overlay on Big Rock Road beginning at the Big Rock Sports Park then west to the 26800 block. If you have any questions or concerns please call the Department of Public Works at 425-788-3434.
