MAYOR'S MESSAGE

Dear Community,

May is here. The weather is improving, even though I am writing to you on another rainy day.

As I walk through town I am noticing more and more folks enjoying our community. The downtown area and the trail are two places I enjoy walking. Next month the road work entering McCormick Park will be completed. I know it can be hard to drive to the park, I can assure you the new entrance, with sidewalks and art will be a big improvement. One addition to the park I am really proud of is the Eagle Scout fire pit project. George and all of his volunteers have worked very hard on it. Please take a few minutes to enjoy his work and the work our City is doing to the park.

We are one month away from Duvall Days. I know Margie Coy and her teams of volunteers are working hard to make the event special for all of us. Please follow the links from the City's website for information on the event. If you want to donate time or money, please do so. I know it will be a great event.

May is also the month we ask our community to nominate the adult and youth volunteer of the year. If you know of someone who has made an impact in our community in 2012, please call the City and pass on their information. We will be collecting nominations through the month.

The senior center in Carnation is a great resource for our community. One program that many may not know about is the Adult Day Health Program. The program serves adults in the surrounding community who are experiencing physical or mental impairments that hinder independence. Without this program, many of those we serve would be unable to remain in their own home and community. Benefits extend to caregivers who receive time and support for self-care and other needs. The program is also an enjoyable volunteer opportunity for those interested in visiting with seniors. For more information, call Karen Huntsinger, 425-333-4152. Hours: Monday – Thursday 9:30 a.m. – 2:30 p.m.

Thank you and enjoy the nice weather with your family and friends.

DOG PARK MEETING

MAY 22, 2013, 7:00 P.M. TO 8:00 P.M.

DUVALL VISITOR & CENTENNIAL CENTER
(Old Duvall Library)

This second meeting of DOG (Duvall Off-leash Group), will be choosing one of the four proposed city sites, discussion of funding, design, marketing, soliciting donations, and devising an action plan to start. Please tell your friends and neighbors. Our elected officials heard you loud and clear. This will be your dog park. Be a part of this enthusiastic group of dog lovers.

Unfortunately and ironically, no dogs allowed due to nowhere to have a meeting that allows dogs.

City of Duvall offices will be closed for the following holiday:
