Big Rock Road Sewer Improvement Project Project Completion Notice

**COMPLETED Three (3) weeks ahead of schedule.
Thank you Shoreline Construction for a job well done!!**

Project Information

Construction of this project on Big Rock Road began November 20, 2013. The project included installation of 2600 linear feet of new 12" sanitary sewer main in Big Rock Road and the decommissioning of three existing sewer lift stations located in the Kasper Heights, Carlson Ridge and Parkwood Estates neighborhoods.

Following completion of the Sewer Improvement project the City received grant funding from the State of Washington

Transportation Improvement Board to complete an asphalt pavement overlay of Big Rock Road beginning at the Big Rock Sports Park and west through the project area to the 26800 block.
