

Q1 Our current Vision Statement, created during the 2006 plan, is: “Duvall is a charming small town with a diverse, attractive, and engaging Old Town/Downtown that is walkable, commerce-oriented, and economically thriving. Duvall is a place where trails, sidewalks, and streets enable families to explore parks and neighborhoods on foot or by bike. Art, culture, and our heritage are valued in our town, and we respect and preserve the natural environment. Small businesses and the entrepreneurial spirit are encouraged – as a result, innovative local businesses offer services and products to Duvall residents. Duvall is a unique place where people walk, shop, eat, conduct business, raise families, and enjoy arts and music, all while enjoying the beautiful Snoqualmie Valley.”
