

Sensitive Areas and Tree Protection Update Project Advisory Group

Meeting #1 – Project Introduction
February 23, 2017 – 5:30 to 7:30
Rose Room – 15619 Main Street (basement)

MEETING AGENDA

The City is updating Sensitive Areas and Tree Protection standards, and today’s meeting will be the first meeting of the Advisory Group for the project. We will introduce the project (goals, tasks, and schedule), and roles and responsibilities for the Group. The first meeting will also be an opportunity to ensure consistent understanding of what sensitive areas are, how these resources and trees are currently protected in Duvall, and key requirements and City-adopted Plans that will inform update

5:30 – 5:45	Introduction Meeting Overview: Lara Thomas Introductions around table: All	No action
5:45 – 5:50	Project Overview Project Purpose and Goals - Why is Duvall doing this project now? Project Approach Project Schedule	
5:50 – 6:00	Role of Advisory Group Group responsibilities Time commitment and expectations How group input will inform the project	No actions
6:00 – 6:50	Sensitive Areas and Tree Protection 101 What do Sensitive Areas include? How are these resources protected? What trees are protected in Duvall currently? How have existing standards influenced recent development in the City?	“101” content is intended to provide a consistent project understanding for all Advisory Group members. <i>Please provide questions & clarifying input during the meeting, with any follow-up comment by Feb 10</i>
6:50 – 7:20	State Requirements and Recent City Policy Updates Growth Management Act and use of “best available science (BAS)” 2015 Comprehensive Plan 2015 Watershed Plan
