DUVALL ARTS COMMISSION
YOUTH POSITION APPLICATION

DAC members are appointed by the Mayor of the City of Duvall and approved by the Duvall City Council. The purpose of the DAC is to put the arts on the community's agenda and to serve as a resource for and about art and artists in the Duvall region.

A volunteer Arts Commissioner filling the Youth Position serves a one-year term, attends regular monthly meetings, and participates in specific projects of interest by serving on one or more of the Commission's committees. Committees currently inviting involvement are the Public Art committee, the Performing Arts committee, and the Cultural Planning Committee, among others.

Prospective Youth Arts Commissioners are required to attend at least one regular meeting of DAC before submitting an application for appointment. Regular meetings are held on the third Monday of each month at 7:00 PM in the Rose Room of the Duvall Library.
