

Mayor's Youth Recognition Award – March 2007

Nominations are being accepted for the Mayor's Youth Recognition Award, which recognizes the accomplishments of our community's youth. Those eligible for consideration are youth who attend school in the Riverview School District and have a Duvall address, as well as those attending private schools or receiving a home school education.

The goal of the award is to emphasize the positive achievements of the city's young people by recognizing those who have distinguished themselves in such areas as community service, arts, academics, athletics, citizenship and/or who have overcome obstacles to accomplish their goals.

Duvall is fortunate to have many outstanding young people who, by their own actions, have established themselves as a foundation of hope for the future. In order to recognize the achievements and contributions that students have made in our community, Mayor Ibershof encourages nominations of deserving Duvall youth for this award.

Each winner will be presented an award certificate by Mayor Ibershof at an upcoming City Council meeting in honor of their good acts.

The nomination process is ongoing. Applications may be mailed or dropped off to:
