

# PROJECT UPDATE

DELIVERING ON OUR PROMISES

## 2018 Big Rock Road Sewer Extension

The project will extend a sewer main to Big Rock Ballfields allowing service for a new restroom/concession facility.

**WHAT:** This sewer main installation project will require a single lane closure during construction hours between NE Roney Road and Big Rock Ballfields ( 28430 NE Big Rock Road). The project will install approximately 490 linear feet of 12” PVC pipe as an extension of the sanitary sewer to Big Rock Ballpark.

**WHEN:** The project is expected to begin by mid summer 2018. Hours of work are allowed between 7:00am and 6:00pm, Monday - Friday.

**WHAT TO EXPECT:** Single lane road closure with minimal wait time. The contractor will provide access for local residents including mail and garbage pick-up.
